We need your help.

We are asking for your feedback to improve the Independent Monitoring for Quality (IM4Q) summary reports. We began using these new formats for reporting the IM4Q information to you. If you would like to give us your feedback about how helpful the new reports are, please contact Mary Kay Cunningham at 215-204-1485 or email me at mkrc@temple.edu with the best time to contact you.

Thank you for your help.
