

This Spring, continue – or start – a treasured holiday tradition with Cherry Hill Programs Bunny Cares events. You or your loved one can visit the Easter Bunny in a sensory-friendly environment at select locations near you on April 3 (and additional dates at some locations). Click [HERE](#) to find a location near you!

Since 2015, Cherry Hill Programs has teamed up with Autism Speaks to provide people with autism and other special needs the opportunity to participate in the time-honored tradition of visiting the Easter Bunny. With a sensory-friendly environment, scheduled appointments to reduce waiting, and staff trained by Autism Speaks, many families can enjoy this experience for the first time.

Visits with Bunny are free, and photos are available for purchase. Cherry Hill Programs also collects donations at all Bunny Magic locations and online throughout the season, contributing more than \$1.15 million to Autism Speaks since 2015. We're proud to continue our collaboration with Cherry Hill Programs and we're so grateful for their continued support.
