Who is EBH?

EBH stands for Emergency Behavioral Health.

EBH members are trained in various crisis response modalities to assist with mitigating the impact of stress from a critical event. These can include; DCORT, CISM, PFA, and/or specialty response.

They provide services to individuals impacted by critical incidents both natural or manmade.

EBH is coordinated by Westmoreland County Behavioral Health and Developmental Services and the EBH Coordinator.

Where would EBH deploy?

EBH can deploy to:

- Disaster Recovery Centers (DRC)
- Emergency Operation Centers (EOC) if asked
- Community
- Shelters
- Schools
- Accident and fire events if requested
- Exercises and drills
- First Responder Support (Fire EMS, Police)
- Anywhere a critical incident has occurred and there is a need.

What can EBH provide ?

EBH would:

- Assess psychological impact of the critical incident to the individual/group
- Provide support, education and referral/resource assistance
- Provide outreach in the community, at shelters, in Disaster Recovery Centers, and local events
- Assist in assessing the impact of the critical incident and work in the Incident Command
