

What is the Resource Center?

With a database of information, our resource specialists are able to provide up-to-date and accurate information and resources. ASERT is here to help individuals, families, professionals, and community members learn about services and resources available, and assist them in navigating the service system in Pennsylvania.

Statewide Toll-Free Number

877-231-4244

*available in English and Spanish
disponible en Inglés y Español
(M – F 8:00 a.m. - 5:00 p.m.)*

Offering personal assistance to callers, providing them with general autism resources as well as up-to-date and accurate information about autism services in Pennsylvania.

Website - www.PAautism.org

Offering information about local, regional and statewide events, professional trainings, community resources, services, current research and other information relevant to the autism community.

Community Outreach

Outreach specialists who are available to attend local and regional conferences, support group meetings and community events.

What is ASERT?

A partnership of Pennsylvania medical centers, autism research and service centers, universities, community organizations, and other providers of services working to improve the lives of adults and children with autism.

Our Mission

To improve access to quality services and information, provide support to individuals with autism and caregivers, train professionals in best practices and facilitate the connection between individuals, families, professionals and providers.

Create an Account at PAautism.org!

Whether you are an individual with autism, parent or caregiver, family member, professional, or community member, create your free account to:

Easily save your favorite autism resources, events, news, and training information

Receive suggestions about information and resources that match your interests and location

Set up additional profiles for family members, colleagues, or individuals you support to identify and organize information that may be beneficial to them
