

Just one day  
of your life can  
change someone  
else's forever.

## Join our growing movement.

We're offering FREE smoke alarms and delivering fire prevention information in homes across our area.

We know that working smoke alarms can decrease the risk of a home fire death by 50% and in the event of a home fire, you may have just two minutes to escape a burning home. Learn how to create an escape plan and practice a 2-minute drill.

Call 833.315.0882 to schedule your appointment.
