

Why Join the WCSI CAFÉ?

WCSI Café is a place to build connections, friendships, and just have fun. Activities vary so there will always be something for

everyone. Event information will be shared by our Support Coordinators and on our WCSI website.

We will share specifics on the activity, date/time, and age parameters for the specific event. It's easy to join and no commitment to stay involved for everything that is scheduled.

Although once you join, we think you will be hooked!

WCSI CAFÉ

Conversations and Friendships Everyday!

WCSI Café was created by a team of Support Coordinators and Supervisors who wanted to engage with individuals in a fun way. A way to get people moving, connected, and part of the community. What better way than through activities that encourage conversation and connections with others? In our (SCO) Support Coordination Organization, we follow The Office of Developmental Programs Everyday Life concept. "We value what is important to people

with disabilities and their families, who are striving for an everyday life. An everyday life is about opportunities, relationships, rights, and responsibilities. It is about being a

member of the community, having a valued role, making a contribution to society, and having one's rights as a citizen fully respected. It is a vision that we should all be working toward together." Come and join the WCSI Café and see what the excitement is about!
